## **Pennsylvania Deadline to Apply for Working Capital Disaster Loans is May 14**

**ATLANTA** - The U.S. Small Business Administration is reminding businesses in **Pennsylvania** that working capital disaster loans are still available to small businesses, small agricultural cooperatives, small businesses engaged in aquaculture and most private non-profit organizations affected by severe storms and flooding between June 26 and July 21, 2013.

These loans are available to small businesses and most private non-profit organizations in Beaver, Butler, Lawrence and Mercer in **Pennsylvania** and Columbiana and Mahoning counties in **Ohio**.

“Businesses that suffered economic losses as a result of the disaster and want to apply for low-interest loans from the SBA are urged to do so before the **May 14** deadline,” said Frank Skaggs, director of SBA Field Operations Center East in Atlanta.

Working capital disaster loans up to \$2 million are available at 2.875 percent for private non-profit organizations of all sizes and 4 percent for small businesses, with terms up to 30 years. The loans are intended to pay fixed debts, payroll, accounts payable, and other expenses that could have been paid had the disaster not occurred. To be considered for this assistance, eligible entities need to apply by the deadline.

Applicants may apply online using the Electronic Loan Application (ELA) via SBA’s secure website at <https://disasterloan.sba.gov/ela>.
